

## **Report from Devon county Councillor Christine Channon**

I do not have much to report. They have repaired the potholes in Yettington and I have also reported the nasty holes just before Bolt's Farm. I am informed that the areas marked on the road from Yettington to Four Firs Cross are to be repaired which has surprised me as it is not long since some of them were done. Emma Sampson, our Highway Neighbourhood Officer has had a nasty accident and injured her leg. She is currently on sick leave so if there are any problems please contact me and I will try to find some answers.
