

## Notes for EBPC meeting 22 March 2022

### 1. Council Tax

Agreed at Council meeting on 23 February that Council Tax for the next financial year would increase by £5 or 3.29%

In Collaton Raleigh a Band D property would now pay £2,075 a year. (Budleigh £2,107) in 2022/23.

### 2. Car Parking Charges

From April 2022 (the new financial year) car parking charges to be increased to £2.00 per hour for five Seafront car parks.

Increase to £1.50 for the main town car parks but leave the more rural ones at £1.00 per hour.

Charges have not been raised for eleven years and the purpose for these charges is to both manage and control traffic in towns whilst raising revenue to reinvest in the District's car parks.

### EDDC Public Toilet Review - latest

- EDDC will be keeping 14 of their public toilet sites across the district, and will update and refurbish these sites at a cost of £3 million to provide modern, safe and accessible toilets. EDDC will be charging people to use these refurbished toilets when they are open, using contactless payments. Pre-paid cards will be made available for those with disabilities or for those who receive certain benefits.
- EDDC is working on the marketing information for the 13 other sites which the Council is no longer able to provide from April 2023.

The priority for these 13 sites is to find alternative uses which favour community or local business uses that continue to provide publicly accessible toilets in some form. EDDC will shortly be writing to town and parish councils to update them on the Public Toilet Review and discuss next steps with them. Whilst EDDC progresses these discussions most of these public toilets will be open until April 2023.

<b>Category A (EDDC retains and investment)</b>	
1	Axminster West Street Car Park
2	Budleigh Salterton Cliff Path (West End / Steamer)
3	Budleigh Salterton East End (Lime Kiln)
