

Seachange Meeting on Wed 17 May 2023 10-11:30 am
Reaching Communities = Steering Group.

The Meeting was the background to Reaching Communities Application, for a lottery grant for £40,000 a year for 3 years:

Seachange feel this is not just for one age group but right across the board of all ages, we can forget that young people can suffer from loneliness, that is very often hidden, and can be very hard to get across to them help, young people find it hard in this day and age to have somewhere to just meet together, gone are the days of youth clubs and coffee bars.

We do have a lot of people that do care and want to help, but don't always know which way to give that help; we hope in the coming months we can move forward.

Date of next meeting 19 June 2023.

H. Moyle B.E.M
