

## **Sir Walter Raleigh Pub**

All is going very well.

We're sorry that Patrick has decided to move on, but delighted that Corinna has agreed to take over as Front of House Manager.

Meanwhile our chef, Dan Kavanagh, is producing some wonderful food and the pub is busy and lots of fun.

Refurbishment of the flat above the pub has just commenced.

We should have a full year results in the next few weeks and plan a shareholders meeting as soon as possible.

In May we're delighted to be part of the village May Fair and Coronation celebrations and look forward to seeing everyone in the pub.
